COMMUNICATIONS

April 15, 1987

Honorable Tom Loftus, Speaker
211 West, Capitol
Madison, Wisconsin 53702

Dear Tom:

I am appointing the Subcommittee on State Parks and Forests of the Assembly Natural Resources Committee.

Members of the Subcommittee will be: Reps. Linton (Co-Chair), Boyle (Co-Chair), Black, Berndt and Ott.

Sincerely,
SPENCER BLACK
State Representative

April 16, 1987

Speaker Thomas Loftus
211 West, State Capitol
Madison, Wisconsin 53702

Dear Speaker Loftus:

I have appointed a subcommittee of the Children and Human Services Committee to recommend strategies for encouraging children at-risk to stay in school. The Subcommittee on Strategies to Keep Children At-Risk in School will be co-chaired by Representatives Spencer Cogg and Barbara Notestein. The other subcommittee members will be Representatives Peter Bock, DuWayne Johnsrud and Ben Brancel.

The charge of the subcommittee is to examine alternatives and develop recommendations for cost-effective means to complete high school (and, hopefully, to go on to post-secondary educational institutions). Successful completion of high school is a key element in stemming delinquency, future dependence on welfare, unemployment, teen-age pregnancy, alcohol and other drug abuse, and, instead, in helping youths to become contributing members of society and participants in the work force.

I have asked the subcommittee to develop recommendations by mid-May in order to get those recommendations to the Welfare Reform Committee and the Joint Finance Committee for inclusion in the budget.

Sincerely,
REBECCA YOUNG
State Representative

Representative Thomas Loftus
Speaker of the House
Room 211 West, State Capitol
Madison, Wisconsin 53702

Dear Speaker Loftus:

I write to inform you that I have established a subcommittee of the Committee on Urban and Local Affairs, on County Government.

It will be called the Subcommittee on County Government and will address the impact of Governor Thompson's budget on the counties. As you know, the Governor's proposed budget would limit funding for some mandated programs which could cause long term financial deficits and numerous other problems related to current levels of service for counties.

Additional subcommittee discussion will include recommendations and proposals to improve state and county relationships.

I have appointed Representative Joe Wineke Chairman, and Representatives Hamilton, Van Dreel, Goetsch and Johnsrud have agreed to serve as the subcommittee members.

If you have any questions regarding the subcommittee on County Government, feel free to contact me.

Sincerely,
G. SPENCER COGGS
Chairman
